

PROGRAM DESCRIPTIONS

New Patient Information Session— an important orientation to the CCI for all new patients, their families and friends. This informative session will help prepare you and your family for your care experience. The presentation includes an overview of services and resources available to you and your family, suggestions for dealing with the emotional challenges of living with cancer, encouragement to participate actively in your care and an orientation to the facility and process of care.

**Monday, Wednesday, Thursday—
10:00—11:30 am
Zane Feldman Auditorium
To register, call 780 432 8456**

Chemotherapy Class — is an information session for all patients who will be receiving chemotherapy. Family members and/or friends are encouraged to attend. In addition to the services and resources available to you during treatment, the presentation provides a general overview of treatment side effects and their management.

**Monday—Friday
1:30—3:00 pm
To register, call 780 432 8771**

ENERGIZE! — Learn the importance of fueling your body with proper nutrition, ways to manage your time and energy to continue with daily activities and what the research is saying about the importance of exercise in helping manage fatigue.

To register, call 780 432 8291

Basic Nutrition— Eating well may not be easy when you have cancer and are undergoing treatments. This information session will help you maintain proper nutrition and manage treatment side effects.

To register, call 780 432 8782

Learning Through Love— This program focuses on helping children understand the experiences of family members who have cancer. CCI staff and volunteers will take them on an educational tour. They will learn about cancer treatments and other procedures that a parent or grandparent may be experiencing. A snack will be served and each child will create a scrapbook of their experience. These tours occur approximately once a month on Sunday afternoons.

To register call 780 643-4303 or 780 643-4304

Other Classes

Rehabilitation Medicine—

- Breast Class for breast cancer patients receiving radiation therapy-Thursdays
